

## Set Building

### You will need:

- A pile of bricks and pieces
- Pictures of places from around the world

### How to play:

- Close your eyes for a few minutes and imagine an amazing place. Imagine you are there. Think about:
  1. What sounds you might hear. Is it loud or quiet?
  2. What you might see. Are there animals or people? Is there water or trees or mountains?
  3. What smells are there? Are they nice or stinky?
- If you want to you can look through pictures of places around the world. Think about where your favourite place might be.
- Build a model version of your setting. Add all of your features and describe your place to your friends or family.
- Have a go at 'Building Characters' and 'Creating an Adventure' Activities to enjoy more creative fun with your setting.
