

## The Negotiator

### You will need:

- A pile of bricks, vehicles, minifigures and pieces.
- The Negotiator Script cards

### How to play:

- Play this game with at least 2 people.
- Each player has a pile of bricks and pieces.
- Start to build a model using just the pile in front of you.
- If you see a piece you like that is in someone else's pile, you can negotiate to try and get it.
- The Negotiator Script cards will give you some ideas on how you can ask for the pieces you'd like.
- Remember, the other player/s can say 'no' and keep their piece. Do your best to negotiate but respect their final answer.
- The aim of this activity is to build your best model whilst also being polite and kind to your fellow builders.
